PERSON-TO-PERSON
2018 ANNUAL REPORT

50 years of
TRANSFORMING
LIVES

“Person-to-Person was founded with the belief that every individual has a right to basic needs, and that everyone equally has the right to create a better life for themselves, their families, their children.”

LETTER FROM THE CEO

Equity is the core value that underscores the work of Person-to-Person. This commitment is evidenced through P2P’s determination to provide equal access to food, clothing, education, and secure housing for all. Fifty years ago, Person-to-Person was founded with the belief that every individual has a right to basic needs, and that everyone equally has the right to create a better life for themselves, their families, their children.

Over the past 50 years, Person-to-Person has grown from two closets with food and clothing, serving hundreds, to a dynamic agency serving 24,000 individuals across seven towns. P2P provides help to the communities of lower Fairfield County through sites in Norwalk, Darien and Stamford. Newer services include a Mobile Food Pantry that goes into neighborhoods to meet the client, as access and equity are also about overcoming the barriers of proximity and transportation.

Throughout the growth and the increased reach of P2P, and over the past 50 years, the core values of our mission have not changed. In 1968, the ‘founding mothers’ of P2P believed that everyone who walked in the door, or asked for help, should be treated with dignity and respect. They believed then, and we still believe now, that under-pinning the important work of P2P is equal access, reduced barriers, warm homes, adequate food, and educational equity. In 2018, P2P is the last agency in the area where a person can come for help without having already been involved in a program. This access, for everyone, is at the heart of P2P’s work every day.

Warmest regards and many thanks for your support,

Ceci Maher

VISION & MISSION

VISION

With help from the community, Person-to-Person is able to provide emergency assistance for basic needs plus other support to individuals and families as they move toward financial stability.

Our vision is communities of financially-stable, hunger-free homes, with educational opportunities for all.

Serving Lower Fairfield County, Connecticut since 1968.

MISSION

Since 1968, Person-to-Person has been delivering on the promise of its mission as a community-supported agency that provides emergency assistance for basic needs and support for individuals and families as they move towards stability.

2018 HIGHLIGHTS

"PHIL THE TRUCK"
OUR MOBILE FOOD PANTRY

“Although this is a very hard time for my family and myself, all the support I am receiving has made things much easier. I am sure my life will be on track very soon and I can assure you I will be on the other end landing a hand.”

—HAMILTON, P2P ON WHEELS CLIENT

P2P ON WHEELS

In April 2018, Person-to-Person launched an exciting and innovative solution to address pervasive food insecurity in parts of our community; a mobile food pantry – P2P On Wheels.

P2P On Wheels was born from a collaborative effort of volunteers, staff, Board members and donors, tasked in 2017 to find a way to bring Person-to-Person's food and casework services into the heart of Stamford's low-income neighborhoods. In less than nine months, P2P On Wheels was designed, built, and delivered to the agency.

Travelling from its Stamford warehouse to Stamford area non-profits four days a week, P2P On Wheels allows us to serve an average of 160 families every week, providing enough fresh food for a week's worth of meals for each member of the household.

Since the launch of P2P On Wheels, food provided by Person-to-Person has increased by 55% and our three food pantries are on track to provide food to prepare **a million meals** by the end of 2019 – making a real difference in our communities.

Thank you to our partners in Stamford who join with us to help strengthen the community.

Building One Community

In November of 2018, P2P supporters gathered to celebrate the golden anniversary of the organization. For 50 years, volunteers, donors, staff, and Board have worked together to provide essential support to individuals and families who are an important part of the fabric of our community. Honored at the Transforming Lives Gala were Kaye and James Barker, Lone Pine Foundation, Inc., and OPUS for Person-to-Person.

50 YEARS OF TRANSFORMING LIVE

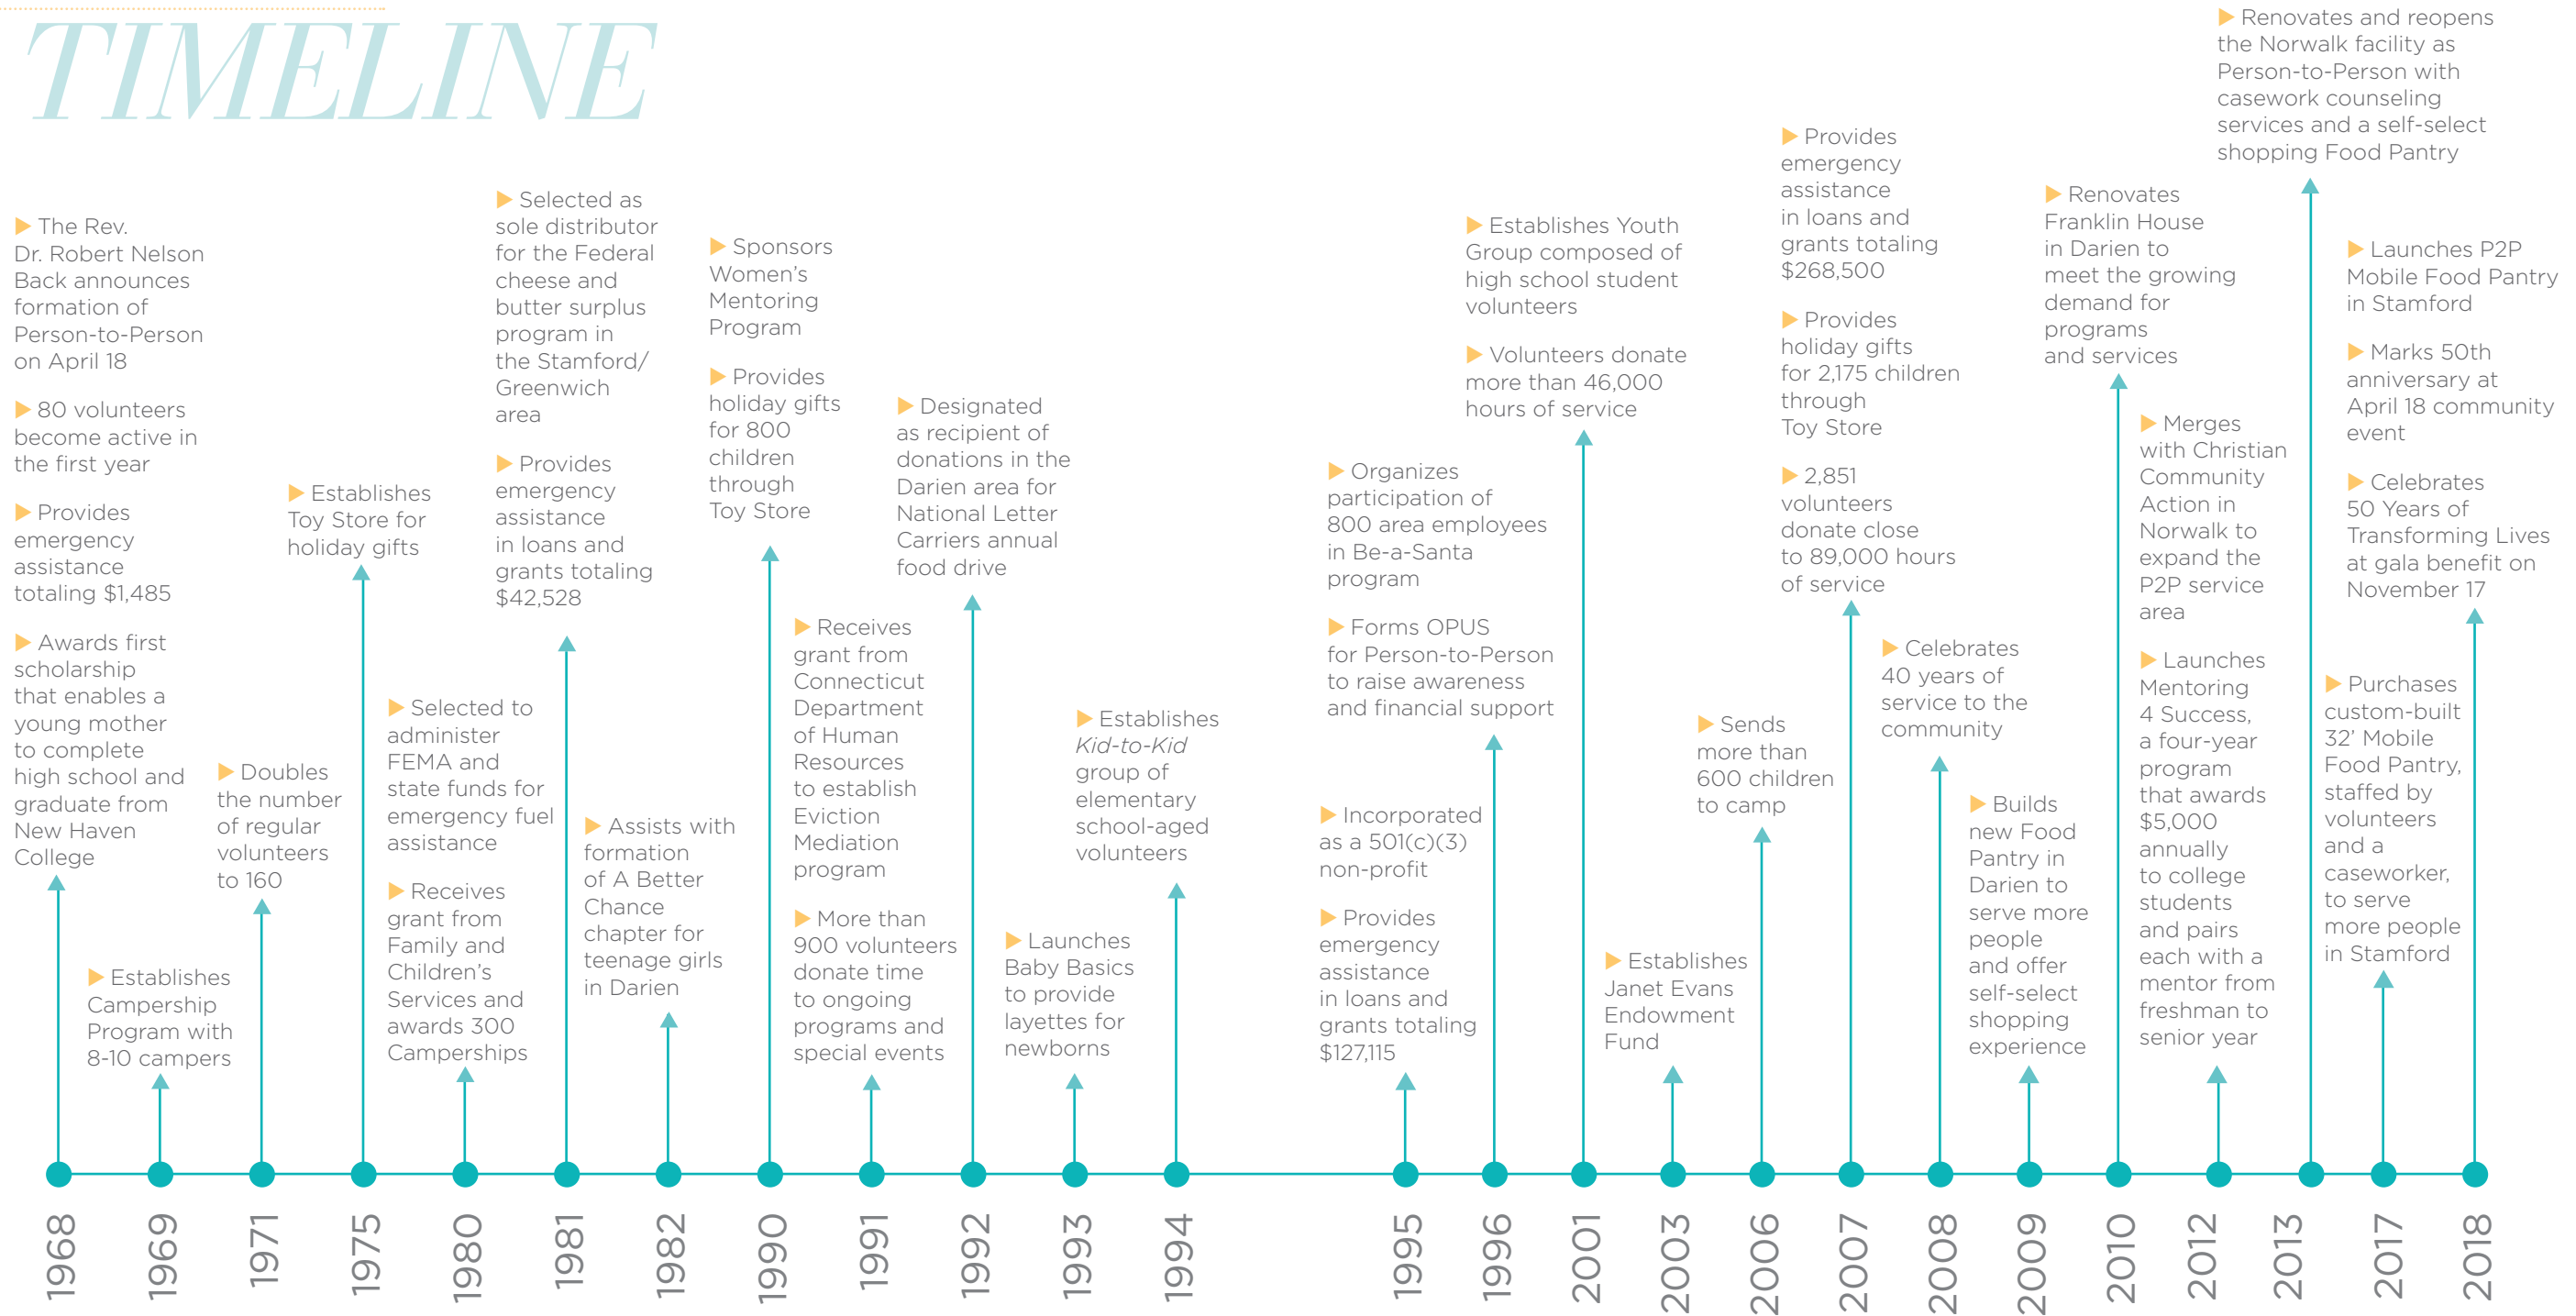

Person-to-Person was founded in April of 1968 as a community response to the deep sense of loss and desire for social change following the assassination of Dr. Martin Luther King Jr. in Memphis. The Rev. Dr. Robert Nelson Back, who had attended seminary with Dr. King, met with St. Luke's parish member Jean Sherman to discuss how caring people in our community could best respond. Out of that first meeting, P2P was born, and Dr. Back named Sherman as its first director.

P2P's core belief is that we all are lifted by helping one another; by helping one, the whole community rises. Starting with two closets distributing canned foods and used clothing to those in need in the community, in its early years, P2P also served to raise awareness of the issues of poverty and social injustice faced by so many of our neighbors.

Since 1968, P2P has grown exponentially, expanding its geographic reach beyond Darien, to serve individuals and families in Stamford, Norwalk, New Canaan, Weston, Westport, and Wilton. In 2018, P2P provided assistance to over 24,000 individuals – including 10,000 children – in lower Fairfield County. That growth included the opening of offices and a food pantry in Norwalk as well as the addition of P2P On Wheels – an innovative mobile food pantry serving neighborhoods throughout Stamford.

For these past 50 years, caring members of the community, including thousands of volunteers, continue to advance the agency's vision of communities of financially-stable, hunger-free homes, with educational opportunities for all.

TIMELINE

PROGRAMS

WE BELIEVE...

EQUITY IN EDUCATION

For P2P, closing the opportunity divide in Connecticut means opening doors to education. P2P provides scholarships to highly qualified and motivated students looking for ways to afford the true cost of a college education. With graduation rates far exceeding national averages for families from low and very low-income backgrounds, P2P is helping P2P scholars build a path upward and on to successful careers.

EQUITY IN HEALTH

For P2P, food is health, and health is equity. We all deserve the chance for a healthy life. Across three sites, including “Phil” the new mobile food truck, P2P provides a full complement of groceries to make healthy meals for a family for a week, 3 meals per day, as designed by a Master’s level nutritionist. Fighting hunger on a daily basis, P2P helps families live their healthiest possible lives.

FINANCIAL EQUITY

For P2P, financial equity means giving people a hand up by supporting members of the community who are trying to maintain or secure housing for their families. P2P’s Emergency Financial Assistance helps people get or keep that important investment in family security, keeping that home or apartment as a stable base from which to build.

EMERGENCY ASSISTANCE

EMERGENCY ASSISTANCE

(Food, Clothing & Casework)

The goal of P2P’s Emergency Assistance program is to help people in situational crisis move out of that crisis to household stability. Encompassing P2P’s Food Pantries, Clothing Center and Emergency Financial Assistance, in 2018, P2P caseworkers worked with 4,947 low and very-low income clients. In determining how best to help, P2P’s casework staff takes a holistic approach. Food relief, referrals to partner agencies, emergency financial assistance and other resources are included as support options.

P2P food pantries in Darien, Norwalk and the mobile pantry in Stamford provided a full complement of groceries to prepare almost 1,000,000 meals in 2018, aided by the added capacity of the mobile pantry. Community-driven, the program relies on the strength of 4,000 volunteers who run food drives, stock shelves and guide clients through food selection.

“It is a big support to know that we will have food when there is no money.”

“Sometimes I cannot complete the rent or the electricity bill, and when I make the payment, I don’t have enough to buy food.”

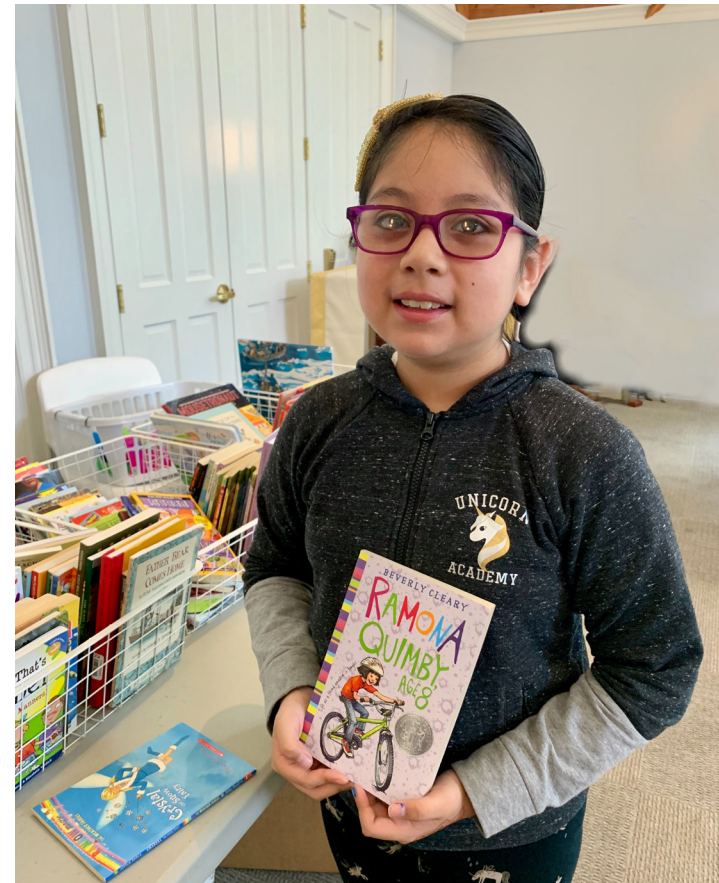

“The extra food helps the kids focus and grow healthy.”

CAMPERSHIP

More than 450 Stamford school children from low-income households are referred through their schools to attend 20 local summer day camps. Children build life skills, make friends, have fun, and for some, practice English. Camp provides peace of mind for working parents and reduced worry about childcare, while keeping children engaged and learning.

“She is more confident.”

“His reading improved and he became more confident because he met kids from different schools and learned from different teachers.”

“They are very excited to return to school and share their camp experience with their friends. My little one was excited to tell everyone that she learned to swim.”

“He was excited to go back to school. Camp offered lessons and prepared him for the academics offered in school.”

SCHOLARSHIP/MENTORSHIP

With a firm belief that education is the key to a life of opportunity and long term success, P2P is committed to supporting college students as they work to shape the trajectory of their lives. With competitive scholarships awarded to highly motivated low and very-low income students from Lower Fairfield County, P2P provided funding to 96 students in 2018. With a graduation rate of 82%, P2P students far outperform any cohort comparison, and P2P is exceptionally proud of its scholars.

“You helped me think differently about my future.”

– CAROLYN, P2P SCHOLAR

“The scholarship allowed me to set bigger goals and seize opportunities that I wouldn’t have been able to otherwise.”

BABY BASICS

A signature OPUS program, the Baby Basics program sources, packs, and delivers layette items and a car seat to new mothers, based on social worker referrals, at Stamford and Norwalk hospitals.

HOLIDAY TOY STORE

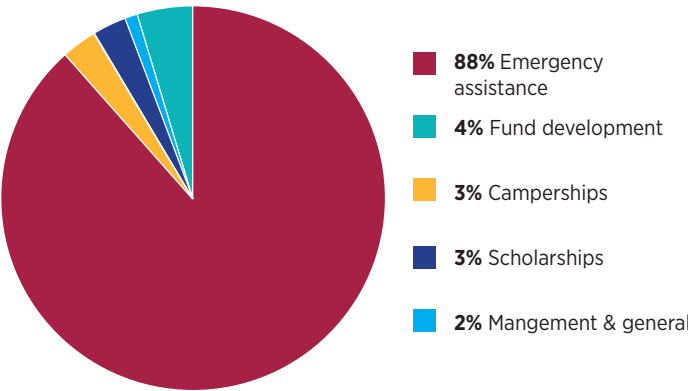

More than 1,800 children received a new toy and book this year when close to 850 families attended our Holiday Toy Store to shop for their children. A committee works throughout the year to source a broad selection of toys for all children ages Birth to 15 years old. During the Toy Store, close to 800 volunteers help parents shop, or wrap gifts for the families.

OPUS for Person-to-Person is a fundraising and public awareness arm of P2P made up of 300 dedicated women, united in their support of our mission. These volunteers pool their time, talent, and commitment to raise funds and awareness, in order to increase our ability to provide vital assistance through our programs. We are so appreciative of all the women who have been a part of OPUS since its founding in 1996.

VOLUNTEER GROUPS

At the heart of everything we do are the volunteers who work every day to support our mission. Serving in roles at all three of our locations and in every program, they bring compassion, energy, knowledge, and a genuine desire to make a tangible impact in the lives of others. In 2018, more than 4,000 volunteers gave of their time and talent throughout the organization. Our volunteers are young adults, students, retirees, and people working full-time. They have built camaraderie and connection, as well as engagement with the greater community. Some volunteer for a few hours or for a special project, and many take on regular weekly shifts. We are grateful to all who have found the rewards of volunteering and who are helping every day to transform lives.
