MAKING SUMMER MEMORIES
How Your Support is Enriching Children's Lives

Dear Campership Appeal Donor,

Thanks to your generous support, 250 children from our community are currently enjoying vibrant, enriching experiences at local day camps throughout lower Fairfield County. Picture the joy on their faces as they dive into new adventures, from splashing in the pool to creating colorful crafts, making new friends along the way.

For many of the children, it's their first time trying activities like swimming, archery, or playing organized sports. They're discovering new passions, learning new skills, and building confidence every day. **These camps provide a safe, fun-filled environment for growth and exploration, ensuring that summer is a season of joy and enrichment.**

Moments of laughter and learning are made possible by your kindness and generosity. Your support isn't just a donation; it's a gift of lasting memories and valuable experiences that will stay with these children long after the summer ends.

Thank you for supporting our Campership Appeal and giving children the opportunity to thrive and enjoy a summer filled with fun and discovery.

With heartfelt gratitude,
