Group Reservations It is best to schedule your team-building volunteer experience up to three (3) months in advance but ask for at least one (1) month's notice of your group's intent to volunteer. To reserve a shift, please email Juri Garone, Chief Services and Community Relations Officer, at jurigarone@p2phelps.org.

Eligibility Volunteers must be of a minimum age of 14. We recommend comfortable clothing and closed-toed shoes. Most jobs require standing for the shift and lifting 30lb bags. Please indicate if anyone needs special accommodations.

Engagement Costs Person to Person is asking volunteer groups for a financial contribution in addition to their volunteer time. This is largely due to the increased demand in our community and the rise in the cost of food. These financial contributions are essential in purchasing food from Connecticut Foodshare and bulk distributors as well as operating our other programs for our clients.

For non-corporate business (i.e. local store/company), please refer to the per person rate for a financial donation.
